LE DÉPARTEMENT

Pregnancy and afterwards

You live in Seine-Saint-Denis:
you can go to maternal and
infant protection centers (PMI)
for free

THE PMI IS HERE TO SUPPORT YOU

Accessing healthcare: obtain a **carte vitale** or **State medical aid (AME)** and sign up for **supplementary solidarity healthcare (CSS)**.

Pregnancy checkups:

- Consultation with a physician or midwife, at-home visits by the midwife
- Referrals for exams and the maternity ward

Support, psychological assistance (domestic violence, conjugal advice, etc.)

Support during pregnancy (diet, preparation for the birth, etc.)

Information regarding baby care, medical checkups from birth to the age of 6

Interpreter in your language

TO DO AS SOON AS YOU BECOME PREGNANT :

- Dental care
- Vaccines (flu, covid19, etc.)
- Stop drinking alcohol, taking drugs, smoking, consuming kaolin clay, etc.
- Sign up for a maternity ward (within 6 months)

DEFINITIONS :

* **7 mandatory exams :** medical exams or discussions with the physician or midwife.

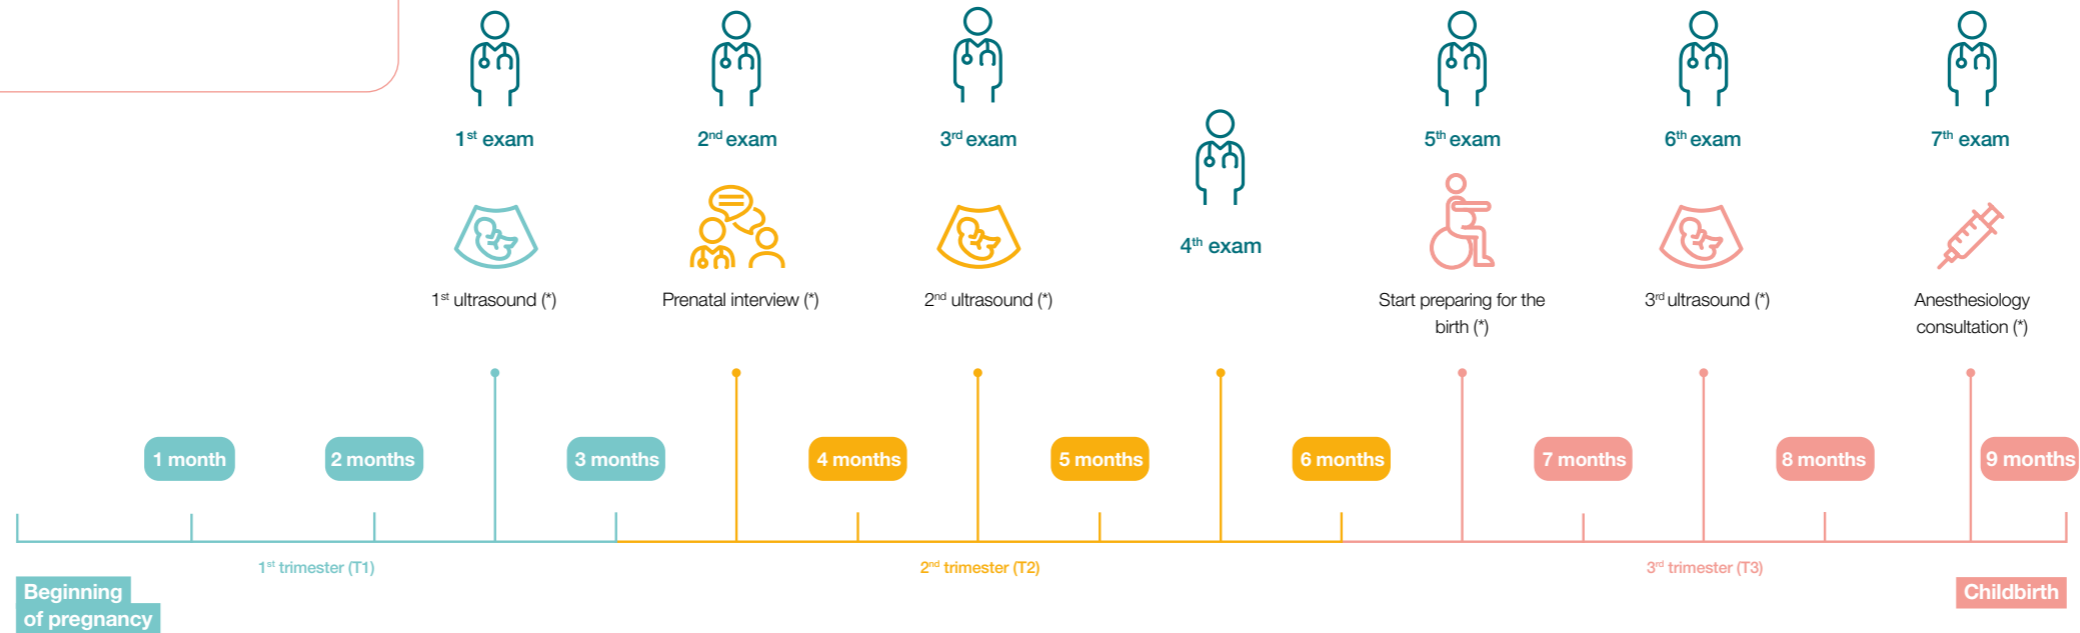

* **prenatal interview:** individual meeting, or together as a couple, with the physician or midwife.

* **7 birth prep sessions :** information regarding pregnancy, childbirth, post-childbirth, the care of your future baby. Breathing and relaxation exercises...

* **Anesthesia consultation :** an interview with the anesthesiologist is mandatory before childbirth with an epidural.

The phases of pregnancy and medical checkups at a PMI

(or with a physician, midwife, maternity ward of your choice)

PMI OFFICE HOURS IN ORDER TO SIGN UP FOR HEALTHCARE: ASK YOUR PMI CENTER

... and afterwards

At the maternity ward

POST-CHILDBIRTH:

An exam is scheduled for you 6 to 8 weeks after childbirth. The exam is conducted by a physician or midwife.

YOUR BABY'S MEDICAL CHECKUPS:

- A medical exam 15 days after their birth,
- 13 medical exams planned between 0 and 2 years,
- Medical checkups for your child can be done at a PMI until they are 6 (weight, height, vaccines, consultations with a childcare worker, etc.).
